2019

During a few weeks you will make a journey through Australia.

A Journey to Australia

Instructions:

You travel around Australia for 3–5 days and during the journey you keep a diary. In the diary you write about what you do, how you feel, who you meet, where you stay, how you travel around – in other words, you write about what happens during your journey.

Include information about at least three tourist sights (museums, buildings, beaches etc). Describe what you see, feel, hear, taste, experience and discover.

Feel free to add pictures, photos, maps, drawings etc to your diary when you practice to write!

Remember:

- * Make sure you follow the instructions.
- * Check your grammar and spelling.
- * Read through your text carefully.
- * Help your friends and get help by reading each other's texts.

During week 42 - 43 you work and practice writing your journal during our lessons. Week 45 you will give a presentation of your journal in groups.
